

SMOKE SIGNAL

A monthly publication for the membership of Cherokee Golf & Country Club

November 2010

From the Manager

The board and I would like to thank everyone who attended the member meeting this past month. We received some good input from our membership and the membership got some good information on some of the issues our club is facing. Everyone enjoyed some really great spaghetti sauce prepared by the board. Gary Austin won the cook-off by a very narrow margin over Laura Gammage.

Also last month we held our Club Championship with Eric Blaylock winning the Scratch Division and Mike Statham finishing first in the Handicap Division. Congratulations to Eric and Mike for some outstanding golf! The rest of the Tournament Results are inside this issue.

As most of you know from last month's Smoke Signal, Cherokee had an agreement with The Lion Golf Club in Bremen for their members to use our facility while their greens were being reseeded. Their club is scheduled to re-open the course on November 1st and at that time our members will be able to play there for the same \$25.00 fee their members paid here. If you would like to go there and play, please let Don or me know so we can call and set you up a tee time. Part of our agreement was that members from either club would not call directly but go through their respective Pro Shops to make tee times. This was agreed upon to avoid non-members from playing at these reduced rates. Cherokee members will have a six week span starting on November 1st to play their course at this reduced rate.
